Re: Calaveras County Mosquito Abatement Operations

Dear Chairman Claudino,

The Saddle Creek CSD Board of Directors has directed me to convey their appreciation to you and your fellow Supervisors on your decision to institute the Counties mosquito abatement program.

In view of the continued health threat posed by West Nile Virus and other serious diseases carried by mosquitoes, the District strongly believes that your continued efforts in this area are essential.

Please be assured that our District's mosquito abatement personnel will continue to support your program to the best of our abilities.

Sincerely,

Charlie Martin, GM
Saddle Creek CSD
