Dear Mr. Mayo,

As I informed you in my letter of August 6, 2010 the CSD Board discussed the August 4, 2010 propane line damage and as a part of this discussion I conveyed my understanding of what was said during our earlier telephone conversation.

At the conclusion of the discussion Board Members concluded that as this issue was a significant public safety concern to the community an update on the line and valve mapping at their next regular meeting (September 21, 2010 @ 2:00 PM- Saddle Creek Lodge) would be appropriate. I would appreciate if you would let me know at your earliest convenience you are able to attend this meeting.

Sincerely,

Charlie Martin, GM
