Hello Charlie,

The sale of my home in Saddle Creek is scheduled to close on July 18. Since after that date I will not be a resident of the district, I must resign my position on the Saddle Creek CSD Board of Directors effective July 18, 2012.

I have enjoyed serving on the District Board for the past 6 years and wish the best to the CSD staff, Board members and District residents in the future.

Regards,

Stephen Marsden  
President, Saddle Creek CSD Board of Directors
